

43 YEARS IN FREEDOM — Rev. Ernest Borillo celebrated the 43rd anniversary of his ordination Sunday when the C.W.I. held a reception in his honor at the Parish Hall of Queen King Roman Catholic Church. A great many of the parishioners, former parishioners and the public called in to wish Father Borillo well. He has spent all 43 years of his priesthood at Stettlet.

Rev. Ernest Borillo, recipient of a medal from the Pope in recognition of his services to the Roman Catholic Church at Big Valley, Mr. Borillo looks after parish duties for the church at Big Valley when Father Borillo brings his services there 43 years ago.

New Municipal Airport Gets Official Opening

A new new community facility and the entry of other rural areas into the Stettlet-Alberta counties. The \$75,000 airport, a joint venture of Stettlet, Town of Stettlet, County of Stettlet, Town of Stettlet, County of Stettlet, and the Canadian Government, was officially opened Sunday morning at 10:30 a.m. by the Hon. ANOTHER \$1,000 — Stettler Elks presented Stettler School Board with \$1,000 Wednesday night, to fulfill their pledge of \$5,000 for the swimming pool. Left to right: Kendall Carlson of the bingo wheel.

School Board Chairman Clarence Klopfer and Exalted Ruler Ray Johnson. Picture was taken during the Elks' regular bingo games Wednesday night.

Mrs. A. Norman, Correspondent

Mr. and Mrs. Gulick Saltvold and Michael and Dave Saltvold all of Edberg and Harold Edensjöf were Sunday visitors at the Conrad Vikas home. Mr. and Mrs. Saltvold informed them that their son James would be getting married at Winnipeg next week and that they and their son Donald of Armona would motor together to Winnipeg to attend this wedding. Here they plan to be together with Mrs. Saltvold's sister and brother's and Gulick's brother Fred of Minneapolis.

Mr. Suddaby enjoyed a four-day motor trip together with their sister, Mrs. Margaret Ferguson and friend Fanny Morris of Edoumont recently. On this trip they called on Mr. and Mrs. Wm. Hodge of Carleton, visited Rocky Mountain House and the museum at Drumheller.

Shortly after returning home Mrs. Martin left to care for her daughter. Knif's family (the Norman Noos) at Ardena, while Knif underwent surgery at St. Mary's Hospital, Camrose.

Spurce Coulee Community held their Farmer's Picnic Day

on Sunday, June 15th which was postponed from Friday till Sunday due to the Donalds Hard ware Sale. Old timers from a distance who joined with the local ones at this picnic were Mr. and Mrs. Louis Paulson of Vancouver, Washington; Mr. Kneeth of Camrose (Alnes Kneeth's father); Lou Holmes and Henry Paulson, both of Camrose; Allen John Kahl who at 80 years of age was out to challenge someone at a horseshoe game again. Other visitors were Mr. and Mrs. Tom Lyle and sons of Narwayne; the

Miss Lorna Jacobson of Stettin, Larry and Lorry Webster of Stettin; Mr. and Mrs. Harvey Stawick and family of Red Deer; Mr. and Mrs. Arnold Jacobson and family of Goshawk were Sunday guests at the Betty Norvick home.

Frost, several nights in a row last week froze down many a garden and some fields show damage. It is reported to have dropped to 24 degrees above Wednesday morning in some places. A quarter of an inch of ice was found on water in other places. With continued drought to top it off, gardening and farming has lost some of its enjoyment, but conditions are still reasonable for a good year yet.

Last week Donald's Hardware closed its doors for business after operating for over half a century. Contents of the store and the building itself was sold by public auction on Thursday and Friday, June 12 and 13. The building was purchased locally.

Through the many years the owner of this business has extended to Donald's and community their never failing service and helping hands and their service was of the old pioneer spirit which will certainly be missed in this district.

On the 11th of May, 1924, the late Mr. and Mrs. Anderson built the Donaldis Hardware in 1914 and this building along with Mr. Lowrey's General Store on the corner of 1st and 2nd streets was destroyed by fire in 1924. Ole Anderson rebuilt the store and was business until 1947 when Cane and his wife, Mrs. Cane, bought him out. Both Cane and Cane's twenty-two years of business have contributed much to Donaldis's heritage. Their names are on the building which is a building which has been here so long.

On Friday evening, June 8th, Ben and Eve Kahl entertained the guests at the occasion of their 55th wedding anniversary at a Dance and Open House in the Donaldis Community Hall.

Members of the original wedding party, 25 years ago, were present, except two and they were represented by other friends at the bridal table. Seated with the bride and groom were

The Hall was beautifully decorated by members of the Students' Union under the excellent direction of Mr. Norman Wright while Mrs. Wright supervised the decorating of the bride.

Mr. Ray Fitzpatrick was in charge of the guest book in which 275 persons signed their names. The Lutheran Ladies catered to the lunch served in the basement.

Friends attending from a distance besides those of the original wedding party were the Bob Warren family of Alitz, Mr. and Mrs. Bob Sand of Edmonton, Mr. and Mrs. Larry Stewart of Calgary, Mr. and Mrs. Stewart Grandhal and Mr. and Mrs. L. Jensen of Camrose, as well as a host of friends from Edberg, Meeting Creek, Stettler, Botha, Red Willow, Rosalind and Red Deer.

Should you invest time and money in a business

- Business is the largest occupational field in Canada today.
- Business is becoming more complex and specialized, therefore, employers hesitate to hire personnel without specific skills and appropriate background.
- Business, industry and government require highly trained personnel.
- Business is employing more college graduates at higher salaries each year.
- Business training enhances success on the job and thereby accelerates promotions.

Driving Economy Car On Luxury Budget? Tests Show How To Save

Are you driving an economy car on a luxury car budget? Chances are that is the case if you aren't driving and saving your car properly. Getting the best performance from your car at the least possible expense largely depends on how you drive, plus and after a complete tune-up. Take the matter of gasoline consumption. Tests conducted by an international house, the most after complete tune-up and 4.2 percent.

Tests done in two nations in every inch of gasoline can be saved when the engine is tuned in tune.

Overheating Car Be Forecasted By These Checks

While most cars made today have cooling systems that are "sealed" in the factory, a water pump and fan are essential against overheating. There are some basic precautions to take to make sure your car keeps cool.

Test the anti-freeze to make sure it isn't too old and check the cooling water to see if it has, drain and flush the cooling system to keep circulating anti-freeze.

Test the radiator and hoses for leaks. Also check pump, gaskets and tighten at the pump, but on the water pump.

Rough Driving Costs

An Australian insurance and repair company has shown that a car driven in a normal, safe manner and the other driven hard to make faster time tests lasting the 220-mile distance in the 40 minutes quarter time the hard driver would be 40 percent more time to travel 220 miles than the 35 minutes time to travel 220 miles. The car driven in a normal, safe manner would cost \$17.77. The car driven in a rough, unsafe manner would cost \$27.77.

In planning your car maintenance, it's wise to know where trouble is likely to strike. A list of the most frequent causes of trouble is contained in a survey of the Missouri Automobile Club.

The Club's recently issued 1959 diagnostic survey indicated that the top five causes of trouble are:

1. Ignition — including spark, distributor, breaker points, and timing.
2. Fuel system — including carburetor, fuel pump, and fuel lines.
3. Lubrication — including oil, oil filter, and oil pump.
4. Brakes — including brake shoes, brake pads, and brake drums.
5. Steering and suspension — including shocks, struts, and springs.

Short Takes On Car Care

In choosing your windshield, don't forget the words "Tobacco stains can get it like a smudge on the glass and direct vision is impaired." You can periodically clean the windshield with a wet soapy sponge.

Let's See How Fast The Car Can Turn!
Drive Safely.

What's a safe distance to follow another car? Experts recommend one car length for every 30 miles per hour of speed in dry roads. When roads are slippery, the distance between should be doubled.

Safety experts advise never driving more than three hours without stopping to rest on a long trip. Getting out of the car to stretch or changing fuel and oil is recommended to avoid excessive driver fatigue.

Backlog Driving Van Slows You Down About Six Feet

The average stop sign will slow traffic down 10 to 20 miles per hour. The effects of the electrical charge wear down the plug's firing end. This can slow electrical revolution, affecting plugs at 5,000 miles and replacing them at 10,000 miles.

Periodic Checks On Car Brakes, Easy To Make

Brakes, like all machines, have a habit of wearing away slowly. It's a good practice to test your brakes periodically to make sure they can stop your car safely.

Every week, test the hydraulic system by slowly pumping your foot against the pedal. If the pedal moves gradually to reach the floor, you are losing vital pressure. Have the brakes corrected immediately.

Periodically, test stopping ability on flat, open where no other cars or obstructions are present. Accelerate to 30 miles per hour, then apply the brakes with your hands off the steering wheel. If the car pulls to one side, you may have brake trouble.

In any case, have your service men perform a complete inspection of the brake system every six months.

Sports Car Road From Sooty May Signal Trouble

New family sedan started to develop a sports car "roar" instead of taking it to the White House City or Levee, but the check your exhaust system. That deplorable roar under the throttle indicates that your exhaust system is defective.

Not only might a noisy gas engine be a warning sign, but it could mean a much more serious problem for your family. A noisy engine is a potential source of leaded carbon deposits.

When you hear a noisy engine, head straight for your nearest service outlet. Better yet, have a mechanic check your exhaust system next time you stop on the way home.

Losing Your Grip, Tire-wise?

If you hear your tires talking, perhaps a few days' taking will help — or a work on the mountain.

On the other hand, if you hear them talking, you're tire-wise, and you'll have their message.

Talking tires. They'll tell you when your pocketbook is being hit. And in most cases they can tell you exactly when the culprit is too. Like improper alignment, worn shocks, overinflation, underinflation, and many other conditions that rob you of the tire mileage that you pay for. Besides, overinflation wears them, also the safety factor — something that's even more important than the money you may waste.

What are the signs on your car telling you? Study the pictures and try the little test below, then check the answers to find out how tire-wise you are.

Worn tire on the left is getting more wear on the shoulder.

- (1) The brakes tend to grab.
- (2) The tire is too low on inflation.
- (3) The tire is overinflated.

The tire is worn evenly, but the tread is shallow.

- (1) The tire is too low on inflation.
- (2) The tire is too high on inflation.
- (3) The tire is overinflated.

Time to Check Car for Warm Weather Driving

Consultation With Good Mechanic Urged By Auto Assn's Road Service Expert

By John Lick
Director, Emergency Road Service, American Automobile Association

A hot winter of commuting back and forth to work, schools and shops... After winter driving, weather conditions... has left your automobile out of condition just at the time when you try all that the pleasure trips of spring and summer.

To plan well for warm weather driving, you need to know what has happened to your automobile during the winter and how to help it. Remember, you plan to drive in warm weather, so you need to know what has happened to your automobile during the winter and how to help it. Remember, you plan to drive in warm weather, so you need to know what has happened to your automobile during the winter and how to help it.

The Emergency Road Service Department of the AAA suggests you check a good auto mechanic for the summer.

A checklist has been developed for your use in working with him to discover and correct any problems which may develop during the summer months.

Sixty years of experience in auto repair and our day-to-day observations of the road needs of 11 million AAA drivers have led us to recommend:

- 1. An engine tune-up.
- 2. A new oil.
- 3. A new air filter.
- 4. A new spark plug.
- 5. A new battery.
- 6. A new water pump.
- 7. A new radiator.
- 8. A new fan belt.
- 9. A new alternator.
- 10. A new generator.
- 11. A new starter.
- 12. A new horn.
- 13. A new bellows.
- 14. A new wiper.
- 15. A new washer.
- 16. A new brake.
- 17. A new drum.

Helpful Tips on . . . How To Get More Miles Per Gallon

Two drivers of the same automobile may get different gas mileage due to the differences in driving habits. Other factors

include driving conditions and mechanical condition of the automobile.

It costs about 50¢ more to drive 50 mph than it does to drive 40 mph. Cost of driving 60 mph is 25¢ higher than cost of driving 50 mph.

Wet driving conditions slowing down under wet or snowy conditions conserves fuel. Wet pavement can reduce mileage by 1 mile per gallon.

When parked, turn off engine. One minute of idling uses more fuel than restarting once.

Starting and stopping. Avoid "jack rabbit" starts, sudden stopping and racing on the green light.

Windy conditions. Drive slower if you're interested in better fuel economy.

Here are some suggestions on how to get the most out of your car.

of your car for better fuel economy.

Use a good grade of gasoline recommended by the manufacturer of your automobile.

Be sure the thermostat isn't stuck in the open position. A warm-running engine is more efficient (uses less fuel) than a cool running engine.

The spare tires are inflated properly.
Balance and align tires.

An untuned car is horns in your ears.

Horns in your ears . . . a missed appointment . . . a tow-truck ride . . . a pounding head and a lot of other things to spoil your driving. That's what an untuned car is.

Untuned car trouble results from old worn spark plugs in an untuned engine. The cure is quick and effective. It's a Champion Tune-Up: a new set of Champion spark plugs plus other basic tune-up items you may need.

You'll feel the difference pronto. Trouble-free starting. Quicker acceleration for safer highway passing. More power. Dependable performance. And an average saving of over a gallon of gas per tankful—proved in United States Auto Club certified tests.

For trouble-free driving, get a Champion Tune-Up now—and every 10,000 miles. Because an untuned car is trouble!

The heart of a tune-up

ANNOUNCEMENTS

Mr and Mrs William F Walworth of Godfrey are pleased to announce the forthcoming marriage of their eldest daughter, Judy Doreen, to Mr Gary Jordan Hiler second son of Mr and Mrs Donald Hiler of Godfrey.

The wedding is to take place at the Methodist church at 2.30 p.m. on Saturday, June 12, 1960.

I wish to thank Dr Smith, Dr Fingler and Dr Bradburn, for their caring advice and skill in the Stirling hospital for the kind care and attention given me while I was a patient there. I also thank to those who sent flowers and cards and to those who came to visit me. It was all very much appreciated.

Cord of Thanks

I would like to express my
gratitude to the donors of the
Royal Purple and Eastern Star
to the Western Ladies Club, to
the Ladies of the Eastern Star
Chapter, to P.P.O. Elks and Apol-
lo Chapter and to all friends for
the cord of thanks for the
casket for my last illness.

Also thank to friends for
their thoughtfulness.

And to all who help in so many
ways, and for kind expressions

Our sincere thanks to relatives,
neighbors and friends who
came to help celebrate the
funeral service of my dear
mother. Her passing was a
great sorrow to all. Her
service to be forgotten. Many
thanks for the beautiful
casket. The funeral was
held at the home of my
children, the ladies who
served and everyone who
came to the funeral. My dear
mother was so greatly appreci-
ated.
30-19

Mr. and Mrs. Fred L. Jones

We would like to thank our
relatives, friends and neighbors
for the beautiful service and
burial of my mother.

Very warm weather prevailed today in Endiang, with a high of 75 and a low of 55. The wind was from the south at 10 to 20 mph.

The residents of staff held a birthday party for Mrs. Haines, Mrs. Kruger and Mrs. Galloway.

MIRROR OF YOUR MIND

Can a person "work up" a headache? The answer is yes, and it's not just a myth. A headache can be a sign of a mental problem, and it can be a sign of a physical problem.

Mrs. Shepard, Rumsey Marked 81st Birthday

Jaqueline Goldard, Correspondent

Mrs. Anna Shepard Rumsey celebrated her 81st birthday on Tuesday, July 29, at her home in Stettler. She is the wife of the late Mr. R. H. Rumsey, a well-known local businessman. Mrs. Rumsey was born in Stettler, Alberta, and has lived in the community for many years. She is a member of the Stettler United Church and the Stettler Women's Institute. She has three children: Mr. R. H. Rumsey, Jr., Mr. R. H. Rumsey, III, and Mr. R. H. Rumsey, IV. She is also survived by several grandchildren. Mrs. Rumsey was married to Mr. R. H. Rumsey on July 27, 1907. They have been married for over 60 years. Mrs. Rumsey is a very active and social person. She enjoys spending time with her family and friends. She is also interested in community activities. She was a member of the Stettler United Church for many years. She is also a member of the Stettler Women's Institute. She has been very active in both organizations. Mrs. Rumsey is a very kind and generous person. She is always willing to help others in need. She is also a very good mother and grandmother. She has raised three children and many grandchildren. She is a very proud and loving person. She is always there for her family and friends. She is a very special person and we all love her very much.

Guests at the birthday party included Mr. and Mrs. R. H. Rumsey, Jr., Mr. and Mrs. R. H. Rumsey, III, Mr. and Mrs. R. H. Rumsey, IV, and many other family members and friends. The party was a very successful one and everyone enjoyed it very much. Mrs. Rumsey was very happy to celebrate her birthday with her family and friends. She is a very lucky woman and we all wish her many more happy birthdays.

A Tale of Two Premiers

By Marshall Owens Report

When the two men who have been in the spotlight in the province since the election of the new government in 1955, Premier Brown and Premier Manning, were asked to compare their respective governments, the results were not surprising.

Both men agreed that the province has made considerable progress in the past three years, particularly in the area of education and health services.

Mr. Brown, who has been in office since 1955, said that his government has been successful in its efforts to improve the standard of living in the province.

He pointed out that the province has made considerable progress in the area of education, particularly in the area of post-secondary education.

Plans for this year include one-act plays, a children's contest, and participation in the first major production, a murder mystery.

Folk Mass also has a bazaar, making it tough on us. Plans call for participation and also started practices.

The PFC is starting its executive from grades 11 and today night for The Heat.

New for the big news is the hands of Camrose. They should have been the same.

All you need is an automatic washer and electric dryer. With one setting of a simple control, the washer fills itself, washes, drains, rinses, and spins. Then the dryer takes in air. Keeps your clothes wash free from impurities in the air. Fluffs them into a natural shape for easier ironing. And takes special care of your permanent-press garments. There's no hard work. No watching. No waiting. Your time's your own.

You've banished your Monday blues!

With an automatic washer and electric dryer, you don't have to do the whole family wash the same day. Do a little at a time. Whenever you feel like it. Even when it's pouring rain.

Get yourself a new automatic washer and electric dryer from your local major appliance dealer, and

Wedding

The Mother United Church, Battle, Alberta, was the scene of a lovely wedding ceremony on Sunday, July 29th, 1900 at 4:00 p. m., when Margaret Francis, youngest daughter of Mr. and Mrs. J. W. Francis, of Battle, became the bride of Mr. John Buchanan of Calgary, son of Mr. John Buchanan of Severely.

The music, being mostly performed in the British Isles.

The bride looked lovely in a blue three-quarter length coat and dress both in nylon and white tulle. Her hair was of orange with very white hair trailing rose buds. She wore a corsage of pink roses.

The brides attendant was Miss Gladys Nicholson of Big Valley, sister of the bride, who was dressed in a blue and white, a lovely orange coat and dress in nylon and acetate lace roushion.

The groom's attendant was Mr. Otto Nickless, brother-in-law of the bride. Ushering the guests, Andrew Price of Stettler, cousin of the bride.

The bride's mother wore a two-piece turquoise suit with

Out of town guests were from Vancouver, Winnipeg, Calgary, Trochu, Big Valley, Fern, Inland, Camrose and Edmonton. Yellowknife, a honeymoon trip to Niagara Falls, Ontario. The happy couple will reside in Calgary.

DRINKING NEWS *our community* **September 20th**

People of the district please note The Waverly Women's Club has purchased a new gas furnace for the Club house in order to pay for it and to have the gas installed.

We were informed that Mr and Mrs Rheinboldt Sr were recently in collision with a train and their truck but we are happy to be able to report they came out of the accident unhurt.

W Williams of Medicine Lake spent a few days last week at the Waverly home.

On Sunday, September 20th Mrs and Miss Williams and family were in Des Moines.

A Literary Contribution

The Creative Daze are at Ware:
Notifier by far than all other Ware
But you won't be crazy on your way
To Christmas shop with us here
Get something different while you can.
Then we are crazy anyway, plan
To get gifts while there is in the Post
Just don't be crazy as you think

IN STETTLER OCTOBER 27 - The Harlem Club has been entertaining basketball fans in America, Canada and around the world for more than 30 years. They're no pickup team, that is for sure. Each year Owner Coach J. (Bert) Pullins, a former Canadian great, scouts the country looking for talent, and in mid-October before the start of the five month winter season he holds a "Fall Training Camp". Pictured above Pullins is seen talking to the candidates for his famed team - explaining the theory of basketball played by The Harlem Club, the standards of play, sportsmanship and behavior expected from each member of the organization. The Harlem Club play Stettler Wildcats at Stettler Gym. Oct. 27 at 8 p.m.

Last year we sold about 1000 head of calves for top prices. Our selling rate will be the same as last year, only three per cent. Calves will be sorted to size and quality and sold as delivered to the Stettler Auction Mart.

Please have your entries in early as your cooperation will assist management in sale operation.

Buyers from across Canada and the U.S.A. have been expected for this sale. We have had as high as 1000 head shipped from our sale to the mid-western States from our commission firm. For highest prices deliver your Angus and Angus cross bred calves to the Stettler Auction Mart on this date. We already have a large listing of top quality calves from some of the better herds in central Alberta.

30 New Trussing Service is available to you at all times. Please Phone Stettler 743-4355 or 743-5795.

Humanease

By Miss Joan Leppworth
Elizabethton, Tennessee
WETFEED, ALBERTA

My dog, "Peanut", has been very healthy and happy since we began feeding him Humanease. He is now 10 months old and weighs 15 pounds. He is very active and loves to play. He is also very friendly and gets along well with other dogs. I am very satisfied with the results of feeding him Humanease.

"The Pigeon Problem"

My yard was once not just a place to grow vegetables, but a place to grow pigeons. I had a large flock of pigeons that were causing a great deal of trouble. They were eating my vegetables and making a great deal of noise. I had tried many different methods of getting rid of them, but nothing worked. Then I saw an advertisement for Humanease and decided to try it. I bought a large bag of Humanease and began feeding it to my pigeons. Within a few days, the pigeons had stopped eating my vegetables and making noise. I was very surprised and happy. I had finally found a way to get rid of my pigeon problem. I am now able to grow my vegetables in peace. I am very satisfied with the results of feeding my pigeons Humanease.

(c) Peanuts should be protected from insects, if possible, in storage.

My peanuts, those birds, should be cooked in just enough water to prevent roasting and then be fed to my birds. I am now able to grow my peanuts in peace. I am very satisfied with the results of feeding my peanuts Humanease.

(d) Railroad flat car is under the direct care.

My flat car, those birds, should be cooked in just enough water to prevent roasting and then be fed to my birds. I am now able to grow my flat car in peace. I am very satisfied with the results of feeding my flat car Humanease.

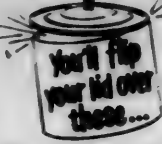

Respectfully,
El M. Brown

As far as rabbits go, the best meat you can get is from a rabbit that has been raised on a diet of alfalfa and clover. This is because these plants are high in protein and low in fat, which makes them ideal for meat. If you want to raise rabbits for meat, you should start with a good breed of rabbit, such as the New Zealand White or the Californian. These breeds are known for their fast growth and high meat production. Once you have your rabbits, you need to make sure they are healthy and happy. This means providing them with a clean, dry environment and a diet of fresh alfalfa and clover. You also need to make sure they are protected from predators. Rabbits are easy to raise and can provide a source of lean, healthy meat. If you are interested in raising rabbits for meat, you should contact a local rabbit breeder or a rabbit raiser's association for more information.

College Boards of Governors

Presidents of the new College Art calls for the appointment of persons from the public at large to serve on boards of governors of the province's public colleges. The act requires five such persons for each college board. There are openings in the following centres: Grande Prairie, Red Deer, Calgary, Lethbridge and Medicine Hat. The Minister of Education invites interested organizations and groups to submit written nominations for consideration for appointment to the boards. The nominations should provide the background and qualifications of the persons or persons nominated and the college involved. Submissions are to be mailed prior to November 12.

For Safe, Carefree Driving This Winter...

Care for Your Car

Here's how to make sure your automobile gives you the most pleasurable, trouble-free and safe performance it can deliver—especially during fall and winter.

Rusty, Dirty Coolant Warns System Needs Your Attention

The next time you're adding water to your car's radiator, take a close look at the color of the coolant already in the system. If it's rusty or dirty, better have your service attendant check your car's cooling system.

Rusty, dirty-looking water in the radiator could warn that the radiator hose is damaged and

flaking, possibly clogging the cooling system. And radiator hose failure can result in serious engine damage.

Dirty-looking water could also signal that the radiator cap probably is no longer holding its rated pressure. Again, you'll not want to tempt fate by allowing your car's sophisticated en-

gine to operate under less than its recommended pressure.

Or, it could be that the thermostat is not opening at the proper temperature — and this, too, could lead to a major engine repair bill.

Rusty coolant is a warning to you that something is wrong in the cooling system, and the

whole system should quickly be inspected.

When Passing

When passing another car, remember that it is moving too. Don't cut back in front of it or it will cut you off its headlights in your rear-view mirror.

An untuned car is "won't start" trouble.

This winter, more cars won't start because of worn spark plugs than old batteries. Most experts agree! You better believe it! Especially in winter.

The colder it gets, the more your battery's output drops. So there's less voltage available to start. More worn plugs can easily require twice the voltage of new

plugs. Result—you have a combination that can be too much for even a brand-new battery.

You don't want starting trouble this winter. Get a Champion Tune-Up now. Champion spark plugs meet or exceed the warranty requirements of all vehicle and engine manufacturers. Remember—an untuned car is trouble!

Once you're ready for repairs, you will find most important factors in the selection of a body repair and refinishing shop — one that has adequate facilities, modern equipment, and experienced personnel to do the job.

What Shop Can Do

Such a shop will have ample parking and work space, year-round working tools, year-

strikes, or dents. Close examination may even produce evidence of more serious damage with rust appearing in the rock.

150,000 KILOWATT ADDITION TO CANADIAN ELECTRIC SYSTEM

The Canadian Electricity Commission has approved a \$150-million project to add 150,000 kilowatts of generating capacity to the Canadian electric system.

The project, which is being financed by the federal government, will involve the construction of a new generating station in the St. Lawrence Valley.

The new station will have a capacity of 150,000 kilowatts and will be able to generate 1,200,000 kilowatt-hours of electricity per year.

The project is expected to be completed by 1975.

042,000 KILOWATTS

came the November bride of Edward Eugene Brink of Saturdays November 11th at the Rialto Hotel. The Chief of Ceremony was the Rev. Charles B. Kennedy. The bride looked radiant as she entered the church in a gown of white tulle. Groom's tuxedo was of black tulle. Equally lovely were by three attendants: Lucille Hampton, sister of the bride and Wendell Brink, brother of the groom. Of "College friends" of the bride-who were seated in red velvet drapes with their own kind of "College" in their hair.

The groom's attendants were Rick Bentley, Terry Hampton and George McKee.

The wedding was officiated by maternal grandfather of the groom and Mr. and Mrs. Louis Galt of Haines, among the guests were many guests and friends.

The wedding reception followed the ceremony with a buffet lunch, supper open house was held from 7:30 p.m. and dancing followed to the music of the orchestra. For her honeymoon

Figure 1 shows a schematic diagram of a 1D lattice chain. The chain is represented by two parallel horizontal lines of dots. The top line has 10 dots, and the bottom line has 10 dots. A vertical line connects the 5th dot of the top line to the 5th dot of the bottom line. To the right of the chain, there is a vertical line with a horizontal bar at the top, representing a reservoir. Arrows indicate interactions: a double-headed arrow between the 5th and 6th dots of the top line, a single-headed arrow from the 5th dot of the top line to the reservoir, and a single-headed arrow from the reservoir to the 5th dot of the bottom line.

Curling News

By Bill Johnson

An Open Mixed Brawl is slated for the Mettler Turf Club on Sunday, December 22. The Special will start at noon and will continue all day and possibly on the evenings of Friday and Saturday, depending on the number of entries. There will be three competitions and the entry fee will be \$10.00 per rank. A rank must consist of two or more entries. Entries may be placed on 742-3111 by 12:00 noon, December 21st.

The Sharpshooters are setting their sights on the various play-

was during the month of January. Most of these dates have been established and will be in accordance with the calendar but the January 1st play date will have to be run off on the first part of the month so if you're planning on entering, now is the time to get your entries in.

Byemoor News

From The Heart of The Grass Country (Mrs. Mary Kuhn, Correspondent)

On Saturday night in Canby, there was a meeting of 3 to 4 B.S.A. members.

The people of Canby have been driven by bus to view the site of the Byemoor farm, which was owned by the late Mrs. Mary Kuhn. The farm was a very valuable and important one to the community.

There will be a new year's Eve party at Canby on Saturday night, December 31st. The party will be held at the Canby Hotel and will be a very enjoyable one.

The Canby Ladies Aid will be holding a Christmas dinner on December 21st. The dinner will be held at the Canby Hotel and will be a very enjoyable one.

Community Greet Joyful Christmas

The Christmas season is the time when the community comes together to celebrate the birth of Jesus Christ. In Stettler, the community offers three special programs to mark the occasion. The first is a Christmas tree lighting ceremony, the second is a Christmas dinner, and the third is a Christmas concert.

CHRISTMAS TREE
The lighting of the Christmas tree is a tradition that has been celebrated in Stettler for many years. This year, the tree will be lit at 7:30 p.m. at the Stettler Community Centre. The tree is decorated with lights and ornaments, and a special program will be held at the time of the lighting.

CHRISTMAS DINNER
The Stettler Community Centre is sponsoring a Christmas dinner on December 18th at 6:30 p.m. The dinner will be held in the hall of the centre and will feature a special menu. Tickets are available for purchase at the centre.

Try and Stop Me
By BENNETT CARR
A father marched his four children up to the top of a hill and said to them, "I want you to try and stop me from going down." They all tried, but they couldn't. The father then said, "I am the spirit of Christmas, and I am here to bring you joy and peace. I am the spirit of Christmas, and I am here to bring you joy and peace. I am the spirit of Christmas, and I am here to bring you joy and peace."

CHRISTMAS CAROLS
The Stettler Community Centre is sponsoring a Christmas carol service on December 17th at 7:30 p.m. The service will be held in the hall of the centre and will feature a special program. Tickets are available for purchase at the centre.

CHRISTMAS CONCERT
The Stettler Community Centre is sponsoring a Christmas concert on December 19th at 8:00 p.m. The concert will be held in the hall of the centre and will feature a special program. Tickets are available for purchase at the centre.

CHRISTMAS CARDS
The Stettler Community Centre is sponsoring a Christmas card sale on December 16th and 17th. The cards will be sold in the hall of the centre and will feature a special program. Tickets are available for purchase at the centre.

CHRISTMAS TREES
The Stettler Community Centre is sponsoring a Christmas tree sale on December 16th and 17th. The trees will be sold in the hall of the centre and will feature a special program. Tickets are available for purchase at the centre.

CHRISTMAS GIFTS
The Stettler Community Centre is sponsoring a Christmas gift sale on December 16th and 17th. The gifts will be sold in the hall of the centre and will feature a special program. Tickets are available for purchase at the centre.

CHRISTMAS DINNER

Art, Too, Shows 'Illumination' To Light Up Christmas Scene

By Anna Mann
The very word seems to be long in Christmas, the season of light. Like the star that guided the wise men, Christmas is a season of light. It is a season of light, and it is a season of light. It is a season of light, and it is a season of light. It is a season of light, and it is a season of light.

A cartoon illustration of a person with a large, round, decorated head and a small body, holding a large circular sign that says "GREETINGS". The person's head is covered in a pattern of stars and dots, and they have a small, simple body with thin limbs. The sign is a dark circle with the word "GREETINGS" in white, bold, capital letters. The background is white with some faint, scattered dots.

Famous Writers Find New Ways to Say, 'A Ryghte Merrie Chrystmasse Toe You'

talent writers of every age made contributions to the volume of "Greetings and goodnight" that is associated with Christmas.

Such expressions are A Joyous Merry Christmas To You have now become archaic and the spelling itself has been confirmed as obsolete. Christmas is a word that has been a very strong influence in poetry and the traditional words of greetings associated with the season.

From the very beginning of greeting cards, one important factor was involved, the message of love. In fact, some of the earliest cards were simply greetings with appropriate borders of foliage or an otherwise simple design.

But there came in the 1800s in England and later in America

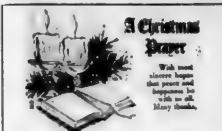

EARLY CHRISTMAS GREETINGS WE sometimes devoted to themes other than the Yuletide season — a 1980s Christmas card showing a carol singer in a red coat and hat, or a 1950s card showing a woman in a red dress and hat.

TRADITIONALLY, CHRISTMAS IS A FAMILY DAY. An old-fashioned Christmas, pictured above on an illustration created especially for the enjoyment of the readers of this newspaper, had much in common with a modern Christmas—gifts, games, meals, flowers and of course a happy family gathering.

For the Best, a Star chosen, and on that first Christmas Eve, the radiance beamed the light to the Miracle of the Christmas, chosen to be a reminder of the peace and joy in the meaning of His message... "On earth peace, good will toward men." Whenever the wonder of Christmas shines today, may it hearten and inspire us, and may it light the way to peace and joy everlasting. To friends and patrons, many thanks.

Try and Stop Me

by GENEVIEVE COPE

DAVID BROWN'S young son, a mischievous little fellow, was always getting into mischief. One day he was caught by his mother and taken to his room. The mother said, "What a naughty boy you are! You know I told you not to do that!" The boy replied, "That's my boy!"

A cartoon illustration shows a boy sitting on the ground, looking up at a girl who is standing over him. The boy is holding a small object in his hand, and the girl is looking at it with a concerned expression.
